Dear Los Angeles County Redistricting Commission,

My name is Karrie Harris, and I am a stakeholder of Los Angeles County in Supervisorial District 1.

I am submitting this public comment letter to urge the Commission to keep the historic Eastside communities of unincorporated East Los Angeles, Boyle Heights, City Terrace, El Sereno and Lincoln Heights together and in their current Supervisorial District 1. It is important to ensure that these communities remain unified in Supervisorial District 1 and that they NOT be broken up and placed into separate Districts. The People's Bloc Map achieves this, and I am in full support of their map.

The Eastside communities of unincorporated East Los Angeles, City Terrace, Boyle Heights, El Sereno and Lincoln Heights have a shared cultural history and legacy that make them a larger community of interest that should remain together with the rest of the current SD 1.

The Eastside's natural trajectory is toward the eastern part of Los Angeles County. It is NOT toward the North, West or South. Moving the Eastside communities into a separate supervisorial district would be removing our communities from their more natural communities of interest located in the eastern part of the County where SD 1 is situated.

Thank you for your consideration of my submitted public comment.

Respectfully,
